OFFICIAL GROUP 3600

Sir:

In response to the Official Action dated November 19, 2002, applicants herewith submit a clean copy of pages 11 and 12 for inclusion in the application.

As stated at page 1 of the response filed August 22, 2002, applicants did not deem it prudent to submit a clean copy of the revised pages since the revisions were dependent upon Examiner Tran's approval of the changes made to the drawings. The amendments to pages 11 and 12 were made to conform the specification to the amended drawings.

Respectfully submitted,

Daniel S. Ortiz
